'No water crisis in Mysuru'

- In-charge Secretary of Mysuru District holds emergency meeting
- Discusses better water management issues with Officers

Mysuru District in-Charge Secretary Kalpana** (second from right) **chairing an emergency meeting at the DC's Office in city this morning. Others seen are** (from left) **MCC Commissioner Shilpa Nag, ZP CEO K. Jyothi and Additional Deputy Commissioner G. Anuradha.

Mysuru, Apr. 29 (MTY&BCT)- There is no water crisis in Mysuru and Mysuru City Corporation and the District Administration are fully equipped to handle the situation, said In-charge Secretary of Mysuru District IAS Officer Kalpana who chaired an emergency closed-door meeting at the Deputy Commissioner's Office in city this morning.

The meeting was held in the wake of a severe drinking water scarcity that has hit parts of Mysuru's outskirts forcing the authorities to supply drinking water through tankers.

Some private layouts in the city and villages under Hinkal Gram Panchayat limits are said to be worst-affected in terms of water scarcity.

The areas that are affected by drinking water scarcity include Hinkal, Tavarekatte, Mahalakshmi Layout, Vijayanagar Third and Fourth Stage, Railway Layout, Housing Board Layout, Hootagalli, Alanahalli, Bogadi, and Jayapura Hobli.

The emergency meeting was supposed to be chaired by Mysuru District Minister G.T. Devegowda but he could not hold the meeting as the Election Model Code of Conduct is in force.

Briefing the media after the meeting, Kalpana said that drinking water is a State-wide problem due to deficient rain this year. "Water scarcity in most places in Mysuru is due to non-functional borewells," she said.

Loan Default: Bank seizes

shopping complex in Saraswathipuram

Mysuru, Apr.29 (PM&NNN)- A large shopping complex in Saraswathipuram, popularly known as 'Bake Point Complex', has been seized by a bank as the complex owner had allegedly defaulted on loans. Following this, all the stores including Mohan Bhandar Supermarket have been asked to vacate.

It may be recalled that officials of Vijaya Bank, armed with an Order of the Debt Recovery Tribunal (DRT) in Bengaluru, attached the commercial complex at the junction on Vishwamanava Double Road in Saraswathipuram on July 4, 2018.

M. Nagaraj, the owner of the shopping complex, owed Rs.33 crore to Vijaya Bank, Kuvempunagar Branch, according to the Bank officials.

Speaking to *Star of Mysore* this morning, Sandeep, owner of Mohan Bhandar, said that they had gone on an appeal to the High Court again but the appeal was rejected and hence, they had no other option but to vacate the premises.

Asked about their next step, he said they will find another suitable place and restart the business. Along with Mohan Bhandar, other shops operating from the complex were also asked to vacate.

Vijaya Bank Regional Office Chief Manager Lokesh told *SOM* that they had taken possession of the complex, as the owner had failed to repay loan amount of Rs.1,91,66,893 with interest at 18 percent per annum from 14.12.2001 till the date of realisation (Rs. 33 crore).

Greed stumps *Need*

The time-honoured fable of the greedy boy getting caught napping by his mother after his hand got stuck in the neck of the bottle while trying in stealth to over-provide himself with his favourite candy seems to suit the vote-seekers of our times in particular and the people at large in general, given their insatiable desire to build personal wealth in cash and kind, mostly by foul means, barring exceptions. Even the classic postulate narrated in text-books on economics namely, *The Law of Diminishing Marginal Utility*, read satiety, doesn't seem to apply in their case by a long shot. An irresistibly strong desire to acquire more money, power, status and so on than one needs, avarice in short, has proved the undoing of many persons ultimately resulting in their doom. While the pages of history cite cases of conquerors in many different regions of the world, including India, names of two persons stand out in our times, highlighting their possession of footwear numbering more than 2,500 pairs. To refresh one's memory of these two, both women, one was first lady of Philippines for 21 years and the other was Chief Minister of an Indian State for six terms (1991-2016).

The saying that there is a sufficiency of virtually every thing in the world to meet the needs of all but not for matching their *greed* doesn't seem to deter most people from crossing the line dividing the two regions, namely need and greed. A thinker has clinchingly expressed that he who is not contented with whatever he *has*, would not be contented with what he would *like* to have.

The consequences of yielding to greed in acquiring material possessions by persons without power or authority in Government amount to a flea-bite compared to consequences of the greed of those in power and authority, given the data published in the dailies on the eve of the ongoing polls in the country with details of wealth at the command of vote-seekers, particularly those of the dominant political parties. The figure of cash and landed property worth money in astronomical proportions in possession of some of them in the Karnataka Cabinet of Ministers have left people at large speechless. Their huge spend on campaigning is known to all as only an investment aimed at further swelling their tainted wealth. But, the greed game is bound to be played by them till eternity with the people at large left with no clue of arresting the rot that has overtaken society.

The lament by a judicial officer during celebration of World Earth Day in Mysuru last week that human greed is destroying our planet is one of many instances of crying in wilderness. The feature of greed stumping need is dubbed as *human* nature.

EDITOR'S BOTTOMLINE

Every second, 21 consumers in India pop a Saridon to relieve themselves of a pounding headache. The brand has had to contend with a wide array of painkillers including tablets and balms. Some of them have been deeply entrenched in Indian homes (such as Tiger and Amrutanjan balms) and replacing them with strips of Saridon has been an uphill task, say industry experts. What has worked though for Brand Saridon has been its single-minded focus on headaches as opposed to other analgesics that dwell on a wider set of problems. As per Nielsen, the addressable analgesic or painkiller market is Rs. 6,450 crore, of which Rs. 2,050 crore is the analgesic tablet segment. Saridon is part of this category. *—Sohini Das in Business Standard*

NEWS SPARKLERS

Youngsters aim to save lives with 3D crosswalks

Massachusetts: Two-ten-year-olds are aiming to save lives with a crosswalk they designed to capture the attention of drivers with a 3D illusion. The crosswalk makes it appear to drivers as though the white lines are elevated from the ground. Isa, a fourth grader and her friend Eric came up with the idea for the 3D crosswalk when Eric's brother had a close encounter with a car.

The kids took their idea to the Center for Citizenship and Social Responsibility, a young people's organisation they belong to, and a local artist was hired to put the idea into action in the driveway of the elementary school. The city is planning to add similar crosswalks at the other three local elementary schools during the summer.

Watch lost in ocean found working after six months

California: A man from California who had lost his Apple Watch while body surfing in the ocean said it was returned to him six months later in working condition. The man, identified as Robert Bainter said that he was at Huntington Beach about six months ago when he was caught in a big wave and lost the watch.

Bainter said he searched for the watch and used the Find My iPhone app to put the device into Lost Mode. He said he eventually started to think he would never get the watch back, until he got a call six months later. "Hey if your name is Rob Bainter and you lost an Apple Watch recently. Give me a call and if you can describe this I'll give this thing to you," he said.

Bainter said that he was shocked to discover the Apple Watch was still in perfect working order. "It worked fine, it didn't skip a beat, all the information was there, all the apps were there," he said.

HEALTH CAPSULE by Bron Smith

What's the deal with cockroach milk?

In 2016, researchers discovered the cockroach equivalent of mammalian milk. Nutrient-rich crystallised particles were found inside dissected cockroach young. The crystals were a complete food, containing proteins, fats and sugars, similar to a mammal's milk.

** Health Capsules is not intended to be of a diagnostic nature.*

CIPET's skill development training for SC/ST youths

Mysuru, Apr.29- Central Institute of Plastics Engineering and Technology (CIPET), Mysuru, is conducting a six-month skill development training programme for unemployed Scheduled Caste/Tribe youths for the year 2019-20.

A monthly stipend of Rs .500 including food, shelter will be provided for the selected youths during the training. Interested youths who have passed SSLC, PUC, ITI, Diploma and under graduate courses may apply before May 3 by 5 pm along with aadhaar card copy, caste/income certificate, five passport size photos and other relevant details.

Candidates may meet the concerned person directly or send the applications to the Office of CIPET, 437/A, Hebbal Industrial Area, Mysuru. Candidates will be selected through direct interview.

For details interested youths contact Ph: 0821-2510618 or 2511903, according to a press release from the Director of CIPET.

Animal adoption continues

Mysuru, Apr.29- The following persons have adopted the animals of Mysuru Zoo under 'Adoption of Animals' scheme by paying the adoption fee:

VOICE OF THE READER

Wheel-locking system, a good move

Sir,

This refers to the news item ***"Now, Wheel-locking System"*** for two-wheeler parking violations *(Star of Mysore* dated Apr.25). Hope this system will deliver the desired result of curbing parking of two-wheelers in "No Parking" zones and also parking haphazardly causing traffic bottle-necks.

The new Assistant Commissioner of Police (Traffic) deserves full appreciation for implementing innovative ideas to curb traffic rule violations and for his attempt to streamline the traffic in Mysuru.

When "Tiger" was entrusted to lift or tow away the vehicles parked in "No Parking" zones, it was causing suspense and tension to the motorists whose vehicles disappeared from the place where they had parked, not knowing whether their vehicles were stolen or towed away.

Before "Tiger" came, Traffic Police were locking the four-wheelers parked in "No Parking" zones. Now along with two-wheelers, four-wheelers should also get the wheel-locked when parked at "No Parking" zones and also at other locations blocking free movement of vehicles.

NEWS BRIEFS

Play 'Nee naanaadre naa neenena'

Spashta troupe from Bengaluru will enact a Kannada play 'Nee naanaadre naa neenena,' an adaptation of William Shakespeare's popular play 'Comedy of errors,' on May 1 at the Mini Theatre in Kalamandira premises here. Disclosing this at a press meet at Pathrakartara Bhavan here yesterday, the play Director Gaganprasad said that the play would be staged at 3 pm and 7 pm (two shows). He further said that the play includes double-acting said to be a very tough proposition in theatre. He revealed that the play is hilarious portraying the position of a person imagining in someone else's shoes. Continuing, Gaganprasad said that an effort has been made to take the audience way back to 1980 which will be intriguing for today's youngsters. He added that S. Surendranath has translated the English script to Kannada. The poster of the play was released on the occasion. Nishant, Deepak Bhat, Chetan, Shilpa, Rakesh and Yogish of the troupe were present during the press meet.

Obituary

H.B. Madhu

Hanagud, Apr.29- H.B. Madhu

(36), President of Hanagud Gram Panchayat (GP), passed away Saturday night at his residence.

He leaves behind his mother A.R. Sudhamani, former Hanagud GP President and Member of Karnataka State Gram Panchayat Reorganisation Committee, wife, two-year-old son and a host of relatives and friends.

Last rites will be performed at his farm land in Hanagud yesterday, according to sources.

Sharath Chandra

Sharath Chandra (56), proprietor of Shobha Electricals on K.R. Hospital Road in city and a resident of Ittigegud, passed away on Apr.19 at his residence following heart attack.

A bachelor, he leaves behind his mother, sister and a host of relatives and friends.

Last rites were performed on the same day at the foot of Chamundi Hill, according to sources.

I have not initiated any Poll Survey: Sumalatha Ambarish

Mandya, Apr.29 (Nagaiah& DM)- Maintaining that she had not initiated any poll survey, Actress Sumalatha Ambarish, who has contested as an independent candidate from Mandya Lok Sabha seat, has said that she has not taken poll surveys seriously.

Speaking to press persons after attending two weddings at Mandya on Sunday, Sumalatha said that poll surveys are influenced by some and she would not take them seriously.

Stating that she would wait till May 23 when the counting of votes will be taken up, Sumalatha, however, said that she was very much hopeful of victory.

Referring to Actor Darshan's statement that a remunerative price to crops was a better solution than farm loan waiver, Sumalatha, supporting the actor's statement, said it was a good idea.

Stating that the Government must declare MSP (Minimum Support Price) for all farm produce, she said that remunerative prices for crops would go a long way in addressing farmer issues.

This was Sumalatha's second visit to Mandya after the Apr.18 polls.

Earlier on Sunday, Sumalatha attended two weddings — one of the daughter of Basaralu Gram Panchayat Member Kenchanahalli Raju at Kanaka Samudaya Bhavan in Mandya city, where she had a chance meeting with Congress leader and former Minister Cheluvarayaswamy, who had reportedly lent support to Sumalatha, defying the Congress diktat to support coalition candidate Nikhil Kumaraswamy of the JD(S) and the other at Marakasalagere village in the taluk.

Sumalatha also visited her late husband actor-turned-politician Ambarish's native Doddarasinakere and neighbouring Chikkarasinakere villages and had *darshan* of the village deity.

Suspended Congress leader Induvalu Sachidananda, Ambarish Fans Association President Belur Somashekar and others were present.

Independent candidate from Mandya LS Sumalatha Ambarish sharing a light moment with Congress leader and former Minister Cheluvarayaswamy during a wedding ceremony in Mandya yesterday.

Cheluvarayaswamy says he will patiently wait till May 23

Mandya, Apr.29- Expressing confidence that independent candidate Sumalatha Ambarish will win from Mandya LS seat, Congress leader and former Minister Cheluvarayaswamy has said that he will, however, wait patiently till May 23, when the results will be announced.

Speaking to media after attending a wedding at Kanaka Samudaya Bhavan in Mandya on Sunday, where he met Sumalatha Ambarish, Cheluvarayaswamy said that the fate of all the candidates has been sealed in the EVMs and the results will be known only on May 23.

Stating that most post-poll surveys are in favour of Sumalatha, he said he would, however, wait patiently for the official results.

Pointing out that Chief Minister H.D. Kumaraswamy, JD(S) Supremo and former PM H.D. Deve Gowda, Congress leader and Minister D.K. Shivakumar and a host of other JD(S) leaders had worked tirelessly for ensuring the win of coalition candidate Nikhil Kumaraswamy, he said that the post-poll survey findings had brought disappointment to the CM and several other top JD(S) leaders.

Maintaining that the election to the Mandya LS seat was a question of self-pride for local people, Cheluvarayaswamy said that actors Darshan and Yash relentlessly campaigned for Sumalatha Ambarish and he would talk more about the Mandya polls after the results are out.

Upset over coverage of son Nikhil, CM Kumaraswamy 'boycotts' media

'You do whatever you want for your story... Go do it. Go enjoy,' HDK tells reporters

Bengaluru, Apr.29 (UNI)- Karnataka Chief Minister H.D. Kumaraswamy (HDK) yesterday said that he was 'boycotting' the media, apparently upset over the coverage of the Mandya Lok Sabha polls, where his son Nikhil Kumaraswamy is in the fray.

"I'm boycotting you," an upset Kumaraswamy told reporters who sought his comments after his meeting with Congress General Secretary K.C. Venugopal here. "You do whatever you want for your story... Go do it. Go enjoy," he said.

Though the reason for his outburst was not exactly clear, sources said that he was upset over the media coverage of the Mandya LS polls, where his son Nikhil from JD(S) was pitted against

Chief Minister Kumaraswamy

multi-lingual actress Sumalatha Ambarish, an independent candidate, in what is perceived to be a cliff-hanger contest.

In the run-up to the election to the seat, Kumaraswamy had repeatedly hit out at the media, accusing them of supporting Sumalatha. This is not the first time the Chief Minister has spoken about boycotting the media. In November last year, Kumaraswamy said that he would not address the press "for any reason."

"Let the media write what they want to. The way they are portraying me, I am scared to say anything. Looks like I should constitute an Expert Committee which will give me suggestions in the morning about what to talk and how to give my speeches. I am in that state now," an irate CM had said.

He had also said that he would "limit the media to what I speak from the stage." HDK recently alleged that the media showed only Prime Minister Narendra Modi as he gets the "makeup" done to get a glow on his face before appearing in front of the camera.

Man goes missing from Hunsur

Hunsur, Apr.29 (KS)- A 28-year-old man, who left his house at Pakshirajapura in the taluk on Apr.23, has since gone missing, according to the complaint lodged by his wife.

Shibhu

The missing man is identified as Shibhu.

Those having any information about the missing person may contact Hunsur Rural Police Station on Ph: 08222-252042 or 252133 or Mob: 94808-05056, according to a press release.

Accident victims succumb to injuries

Mysuru, Apr.29 (MK&KS)- In separate incidents a four-year-old boy and a man, who were injured severely in road accidents and admitted to hospitals, have succumbed to injuries.

In the first incident, a four-year-old boy, identified as Dhawan, son of Ravikumar and Pavithra couple of K.G. Koppal, who was proceeding on Nanjangud Road near Mandakalli Airport along with his parents on Apr.23, suffered serious injuries after the bike on which he was travelling hit a dog resulting in the boy and his parents falling down from the bike and suffering injuries.

Though Dhawan was rushed to a hospital, he succumbed to injuries, according to the Police.

Mysuru Rural Police have registered a case in this regard.

In the second incident, a 38-year-old man died at the hospital following injuries he had suffered after a car hit him near the Ganapathi Temple at Hinkal on Apr.26 night.

The deceased is Siddappa, a resident of Hinkal. Siddappa was crossing the road near the Temple on Hunsur Road in Hinkal, when a speeding car rammed into him.

Though Siddappa was admitted to K.R. Hospital, he succumbed to injuries later, according to the Police. V.V. Puram Traffic Police have registered a case.

Man repairing motor pump electrocuted to death

T. Narasipur, Apr.29 (Kumar& KS)- A 38-year-old man was killed after being electrocuted while another suffered injuries when they were repairing a water motor pump near Mannahundi village in Kiragasuru Gram Panchayat limits, T. Narasipur taluk last night.

Krishnappa

While the deceased is Krishnappa, the injured, who has been admitted to K.R. Hospittal in Mysuru is identified as Nagaraju.

It is learnt that Krishnappa had gone to repair the motor pump following instructions from Kiragasur Panchayat Development Officer (PDO) during which he was electrocuted and died on the spot.

Villagers have alleged that Krishnappa died due to the negligence of Gram Panchayat President Ashwin and PDO Sowmyalatha.

KPCC working President Eshwar Khandre bereaved

Bidar, Apr.29- Dr. Vijaykumar Khandre (60), a two-time former MLA from Bhalki in Bidar district, passed away in Bidar this morning.

He is the brother of Karnataka Pradesh Congress Committee (KPCC) Working President and Bhalki MLA Eshwar Khandre, who is also contesting as a Congress candidate from Bidar constituency in Lok Sabha polls - 2019.

Fire due to short circuit

Cash, jewellery, household items, food grains destroyed

Huyilalu, Apr.29 (KS)- Fire due to electrical short circuit at a house in Huyilalu village, Yelwal hobli, has destroyed everything in the house.

Sannashetty

Fire was spotted at the house of Sannashetty and within minutes, it spread to the entire house. Sensing danger, the residents of the house ran out of the house for safety and informed the Fire Brigade Station.

Though the Fire and Emergency Services personnel rushed to the spot and doused the fire, the fire had already destroyed household items, Rs.10,000 cash, gold jewellery worth about Rs.20,000 and food grains kept in the house besides rendering the family homeless.

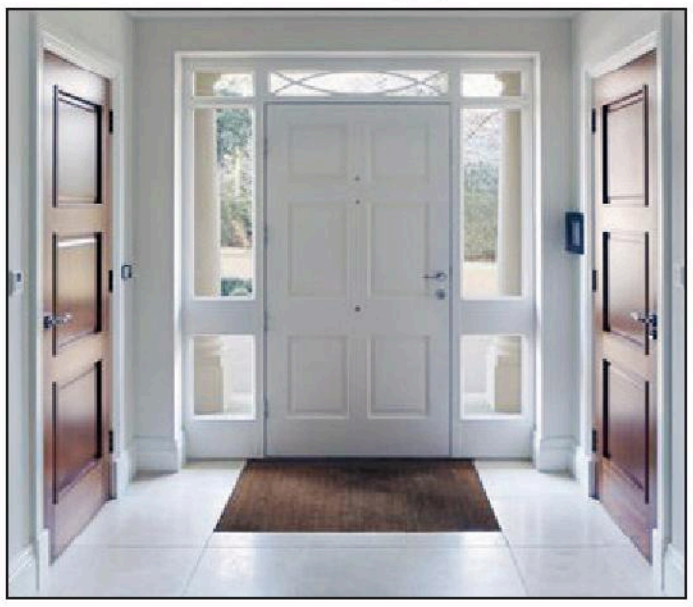
Vaastu-Feng Shui & Bio-energetics

By S.B.S.Surendran
Accredited Master Feng Shui Consultant

Drawing in good energy



In Feng Shui, the exterior surroundings are the most important aspects affecting the Chi flowing into your home. Hence, looking at the exterior, environment and the interior of a home will help in ascertaining the flaws and the positive trends the building inherits. Creating balance and harmony through proper arrangement of the interior layout and inviting exterior will ensure that the Feng Shui of the space is beneficial to the occupants in turn giving rise to prosperity and happiness.

It's a fact that home is where we spend most of our time with the family and all those who are dear and close in our lives. Hence focusing on the quality of energy, keeping the flow clean and smooth is essential.

In the science of Feng Shui it is said that Chi is influenced by everything concrete in our lives. Our possessions and where they are located can all affect Chi energy. Even the layout of our homes and offices affects Chi energy. By adding and taking away objects, changing the positioning of furniture, plants, wall art, and more, we can increase our good luck.

Feng Shui has two parts, the visible and the invisible. First is the visible factors — Walls, doors and streets. Second is the invisible — Chi.

This life force energy and predecessor influences are energies of people who previously lived in your house, ghosts and energies in the land. Every person, place and thing is alive with the universal energy called 'Chi.'

Everything is connected by this vital energy which is always changing. When we integrate the Feng Shui principles into our lives, we see and interact with the world in a new powerful way.

Understanding the science of Feng Shui and adapting it in the design of homes calls for precision combined with tasteful aesthetics. When we look at a building, the first impression we derive determines the kind of energy existing within it and you get a feel about the lifestyle of the occupants too. Comfort and convenience are key factors when planning a home or even a room placement, storage, furniture arrangements and layout.

• If you live in a house with bad history, or you've had many negative experiences in the house, you need to cleanse the space with saline water, incense and lights.

• If you have two or more doors in direct alignment, especially if it is the front door and back door, suspend wind chime or crystal or a moving object to slow down the Chi flow.

• An attractive, well-kept door will attract good Chi, whereas a run-down door will cause bad Chi to enter your home.

• Clear pathways and keep hallways and driveways open and clear, free for energy to flow.

• De-clutter attics, lofts, garage and basement and keep them clean.

• Pay particular attention to clogged drains and leaky pipes. As conduits for energy, they should be kept clear at all times.

Winners of Robo Wrestling

The participants and student volunteers of Robo Rikishi 2019 seen with N.S. Srikanth, Assistant Professor and Coordinator, Robo Rikishi-2019, Dr. K.R. Prakash, Professor and Head CAT and Vinod Kumar, Assistant Professor.

Mysuru, Apr.29- The Department of Mechanical Engineering, the National Institute of Engineering (NIE), Mysuru, had organised a two-day National-level Robo Wrestling Competition 'Robo Rikishi-2019' on Apr.11 and 12 under the sponsorship of Technical Education Quality Improvement Programme (TEQIP-III).

S.L. Ramachandra, Director, NIE Board of Management and Sunderesh Shankaran, Vice-President, Engineering Services, Infosys, Mysuru, inaugurated the event and appreciated the work carried out by first year engineering students who exhibited their work in the field of Robotics. Around 15 innovative projects in the field of Robotics were selected and exhibited.

On the second day, K. Ganesh Kini, Co-Founder and Managing Director, Crevavi Technologies Pvt. Ltd., inaugurated the event and spoke about how Internet of Things (IoT) has changed the present day scenario of Industry and society and how students can sharpen their competitive spirit and product designing skills through participating in technical events like 'Robo Rikishi.'

'Robo Rikishi-2019' is a three-level robotic competition, namely, pushing maximum weight of 8 kg, clearing hurdles in the track test and 'Robo Wars.' The participants have to clear each level in order to move forward.

Totally 14 teams from various Engineering Colleges all over Karnataka participated in the competition out of which 12 teams cleared the first round which was the weight pushing test. The second round was the track test which created competitive spirit among the students as the robot should pass through the track and clear the hurdles. Eleven teams were able to clear this level.

The last round was the sumo event where one-on-one Robo wrestling match held between the teams and two teams were qualified for finals.

Winners

The Team from MVJ College of Engineering and a team from NIE were able to secure first and second place. For the third place, all the robots which were not qualified for the finals were placed in the arena and all the robots fought among themselves last robot standing was announced as the winner. The third place was secured by team from MVJ College of Engineering.

DC inaugurates new CT scanner at Columbia Asia Hospital

Deputy Commissioner Abhiram G. Sankar watching how the CT Scan machine functions as Dr. Upendra Shenoy, Cardiac Surgeon and Chief of Medical Service and Rahul Tewari, General Manager, Columbia Asia Hospital, Mysuru, look on.

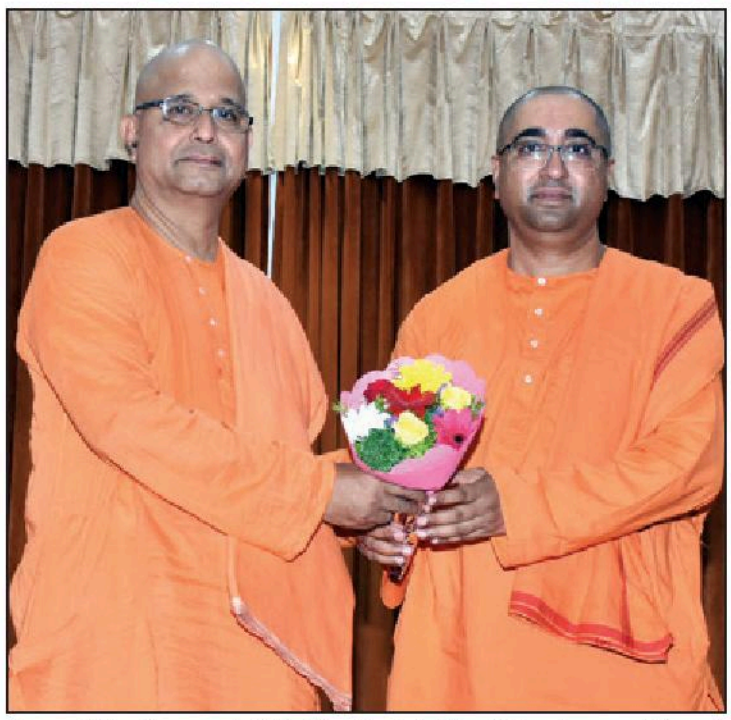
Mysuru, Apr.29- Deputy Commissioner Abhiram G. Sankar recently inaugurated the new CT Scan machine at Columbia Asia Hospital on Mysuru-Bengaluru Road here. This state-of-the-art 64-slice CT scanner will help in better diagnostic of images and in determining when surgeries are necessary by reducing the need for exploratory surgeries and the length of hospitalisation.

The new CT scanner has a unique distinction of doing scans at lesser radiation dose with ultra-high speed scanning time especially suited for elderly and paediatric patients with special software of oncology, neurology, gastroenterology, nephrology and vascular radiology that enables correct and specific diagnosis.

The Scanner creates 64 high-resolution anatomical images per rotation. This will decrease scan times to several seconds, less than 15 seconds in most cases. The slices are as thin as a credit card. These images are combined to form a three dimensional view of the patient's anatomy, allowing physicians to view such things as blockages in the coronary arteries, as well as the motion and pumping action of a patient's heart.

Swami Atmajnanandaji accorded warm farewell at RK Ashrama

Swami Muktidanandaji takes over as President



Swami Atmajnanandaji** (right), **who is taking take charge of Ramakrishna Mission, Chandigarh, as Secretary welcomes Swami Muktidanandaji, who has been re-appointed as the President of Ramakrishna Ashrama, Mysuru, at Shambhavanandaji Hall in the Ashrama premises last evening. Picture right shows a section of the audience.

Mysuru, Apr.29 (YDS&BCT)- A warm send off was accorded to the Swami Atmajnanandaji, President of Sri Ramakrishna Ashrama of Mysuru, who is taking take charge of Ramakrishna Mission, Chandigarh, as Secretary and a rousing welcome was accorded to Swami Muktidanandaji who has been reappointed as President of RK Ashrama, Mysuru.

The event was held at Shambhavanandaji Hall at Ramakrishna Ashrama premises last evening. It may be mentioned here that Swami Muktidanandaji, who was serving as the President of RK Ashrama, Mysuru, was transferred to Mumbai RK Ashrama in October, 2016.

Addressing a large number of devotees and Ashrama pontiffs, Swami Atmajnanandaji said that Sri Ramakrishna was still alive through Ramakrishna Sangha and was constantly guiding the Mission to serve the society. "By selflessly serving Ramakrishna Mission establishments, the Brahmacharis, Pontiffs and Volunteers are offering pujas to Sri Ramakrishna," he said.

"The Ramakrishna Mission's soul is Sri Ramakrishna and we must dedicate our lives to the great saint. Other individuals do not matter. Day in and day out, we must develop spiritual qualities and Sri Ramakrishna is at the centre of all our activities," he said and added, "Even Swami Vivekananda had bequeathed all his achievements to Sri Ramakrishna thereby started a tradition and we are continuing the tradition."

Dwelling upon the post of Presidents of Ramakrishna Sangha, units and branches, Swami Atmajnanandaji said that the Mission appoints Presidents only to head that particular branch. "The real service is done by volunteers and Brahmacharis. We must remember this," he opined.

Praising the devotees of Mysuru, he said that the devotees considered works at the Ashrama as their duty and used to perform them diligently. "I am indebted to them as they have offered immense service to the Mission," he said.

Making a special mention of Swachh Mysuru Abhiyan, he recalled that the Ramakrishna Ashrama had launched a series of cleanliness campaigns in city and the programmes were conducted for 40 Sundays and had brought in a change in people's mindset on cleanliness.

Lauding the efforts of Swami Atmajnanandaji in taking the Mysuru branch into new heights in the last two-and-a-half years, Swami Muktidanandaji said that the large number of devotees at the programme was a testimony to the works of Swami Atmajnanandaji. He requested the cooperation of devotees, volunteers, Brahmacharis and Pontiffs for him to run the Ashrama and the institutions associated with it effectively. Later, members of many associations felicitated Swami Atmajnanandaji.

'Kodava Sahitya Male' book release tomorrow

Mysuru, Apr.29- Kodava Takk Yeltkarada Koota (Kodava Writers Association), Kodagu, in association with Kodava Samaja, Mysuru and Lopamudre Kodava Sangha, Mysuru, has organised a programme at the premises of Kodava Samaja in Vijayanagar here tomorrow (Apr.30) at 10.30 am for the release of the 158th and 159th edition of 'Kodava Sahitya Male' (Kodava Literature Series). For details, contact Koota President Chattangada Ravi Subbaiah on Mob: 94485-82398 or 98805-84732.

Stone pergolas add more beauty to Abode of Art 'Kalamandira'

Rs. 41 lakh CSR initiative by Bank Note Paper Mill India Private Limited

Mysuru, Apr.29 (MK&NNN)- The facelift and beautification work in Kalamandira, which reflects the cultural ethos of the city continues as more and more additions are taking place in this verdant lung space.

Kalamandira is the abode of art where every day one or the other cultural activities keep taking place thus drawing the public to most of the events, be it drama, dance, music or other public events. In the light of so much happening, the place gets spruced up and this time there is a beautiful garden (apart from the heritage garden) coming up as also a hexagonal stone pergola, besides one more pergola at the entrance.

The work is being taken up under the Corporate Social Responsibility (CSR) initiative of Bank Note Paper Mill India Private Limited at a cost of Rs.41 lakh and it is likely to be completed before June 1.

Speaking to *Star of Mysore*, Kannada and Culture Department Assistant Director Hanur Chennappa said that in order to enhance the beauty of Kalamandira a garden and pergolas are being built. In the centre of the garden an attractive pergola and another one at the entrance is also being constructed.

The main reason is to make the place an attractive experience for the people who come to Kalamandira premises that such efforts are on. Also opposite the Kiru Rangamandira, a concrete road and interlocking facility for the gate are also being planned, he said.

In the second stage of the work, plans are afoot to install stone lamp posts and the air will be filled with music as one enters the Kalamandira premises. These are some of the new experiences planned, he said.

The works commenced on Apr.8 but due to the Poll Model Code of Conduct, the pace of work was stalled. The works will be completed in the next three months, he added.

Earlier too, the Bank Note Paper Mill India Private Limited had under its CSR programme installed waterfalls and developed lawns in front of Kalamandira steps.

> *Bank Note Paper Mill India Private Limited is contributing a lot for the beautification of the city through its CSR schemes. Likewise a few other organisations are also involved to enhance the beauty of Mysuru.*
>
> — **H. Chennappa,** Assistant Director, Kannada & Culture Department

Modi Tomatoes

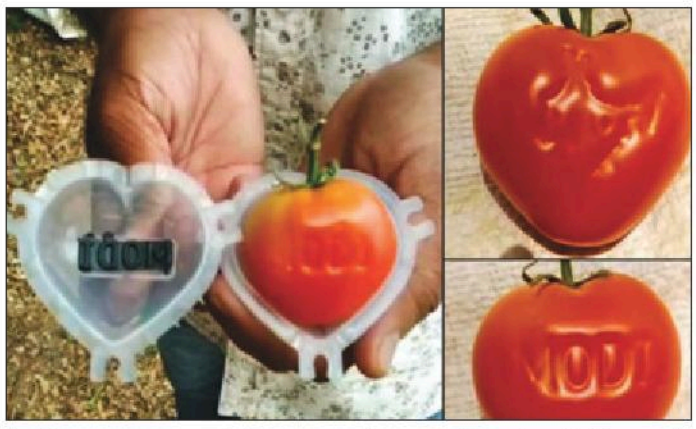
A big hit this election season

Vijayawada (Andhra Pradesh), Apr. 29- The unprecedented sea of saffron that was witnessed on the streets of Varanasi during Prime Minister Narendra Modi's Varanasi Road Show, raised a crucial question — Is there a Modi wave?

If the mega Road Show with BJP flags fluttering and showering of flower petals at Varanasi may have indicated a 'Modi wave' in one way, people in their personal endeavours have taken this political enthralment to another level — with tomatoes.

A tomato farmer from Madanapalle in Andhra Pradesh has begun to brand his tomatoes by putting Narendra Modi's name on them. Plastic moulds were seen wrapped on to the tomatoes which later leaves Modi's name on one side and Indian map on the other side of the tomatoes.

According to reports, there is a lot of demand in the market for the tomatoes with PM Modi's name on them. A tweet



that has now gone viral, as reported by a local news channel, says that the tomatoes have been selling at a 25% premium and are being exported.

These tomatoes are in the shape of a heart with letters 'Modi' embossed on one of its sides and India's map on its other. This tomato is the result of combined efforts of Janardhan Chowdary Jampala, a US-returned software engineer-turned-agro producer, and Racharla Siva Kumar Reddy, an enterprising farmer from Madanapalle in Chittoor district.

The tomatoes were presented to Uttar Pradesh Chief Minister Yogi Adityanath during his recent visit to Andhra Pradesh.

Over 10,000 students appear for CET

(Continued from page 1)

Tomorrow, Physics will be held in the morning and Chemistry in the afternoon. All the subjects will have 60 marks each. Across the State, a total of 1,94,311 students are appearing for the exam at 431 centres, including 84 in Bengaluru and 21 in Mysuru.

The exams were held under tight security, with the Police clamping prohibitory orders in 200 mts radius around all the 21 centres in city between 6 am and 6 pm today and tomorrow.

Speaking to *Star of Mysore*, DDPUE Dr. Dayananda said that College Principals have been deputed to every centre for functioning as Deputy Chief Superintendents. Every centre will have an Observer, a sitting squad consisting of two staff and a custodian in-charge of question paper bundles.

Pointing out that 400 to 700 students have been accommodated in each centre, he said keeping in mind the safe and secure transit of question papers from District Treasury to every centre, the Department has identified four routes, with one Officer attached to each route.

Explaining the exam system, Dr. Dayananda said that for the first time in CET history, the bell will be rung 7 times during the exam session.

For the exam that commences at 10.30 am, the first bell will be rung 10 minutes earlier at 10.20 am, when the students will be allowed to enter the hall and take seats as per registration number.

The second bell will be rung at 10.30 am, when the question paper will be distributed and the third one at 10.40 am, when the OMR sheets will be distributed; the fourth one at 11.10 am, to send a message that the exam is into 30 minutes, the fifth one at 11.30 am to indicate that 20 minutes are still left, the sixth one to alert the students that only 5 minutes are left and time is running out and the seventh one at 11.50 pm, the final bell, indicating the end of the exam, he said.

Two students heading for CET killed

In a tragic incident, two students were killed on-the-spot and three others sustained serious injuries when the car they were travelling rammed into a roadside tree in Tiptur taluk of Tumakuru district this morning. The deceased have been identified as Kiran (18) and Trinesh of Dandinashivara in Turuvekere taluk.

Five students from Dandinashivara were on their way in a car to take up the CET exam at a Chikkamagaluru centre at about 8 am when the car rammed into a roadside tree at Kundurpalya on B-H Road. While Kiran and Trinesh were killed on-the-spot, three others who were severely injured in the mishap, were rushed to nearby hospital, where their condition is said to be critical.

K.B. Halli Cross Police have registered a case in this regard.

'No water crisis in Mysuru'

(Continued from page 1)

The MCC and District Administration have arranged to send drinking water to the affected areas through water tankers. As the tankers are insufficient to meet the needs of all residents, we will send more tankers twice a day to meet the demand," Kalpana said.

Taking inputs from the taluk-level officers on the drinking water crisis, she said that some villages in Periyapatna, K.R. Nagar were facing shortage and the taluk-level and Panchayat officers have been directed to ensure supply through tankers.

Kalpana said that this year there has been a rain deficit of 17 percent in Karnataka. "I have examined the progress of the ongoing projects including Atal Mission for Rejuvenation and Urban Transformation (AMRUT), Project, where there is a plan to draw 60 MLD water from Hongalli and Meghalapura.

The work will be completed in another three months," she said and added that she has directed the officers to speed up pending projects.

MCC Commissioner Shilpa Nag was pinning hopes on the early completion of the Rs. 545 crore Hale Unduwadi drinking water project at KRS.

Although Mysuru city has been getting about 250 MLD (Million Litres per Day) daily from Cauvery and Kabini through pumping stations at Belagola (43 MLD), Hongalli 2nd Phase (32 MLD), Hongalli 3rd Phase (50 MLD), Melapura (65 MLD) and Kabini Station (60 MLD), the Hale Unduwadi Project will supplement the water supplies by pumping 300 MLD of water per day to the city and surrounding villages, that will cater to the needs of the city's growing population in the next 30 years, she said.

ZP CEO K. Jyothi, Additional DC G. Anuradha, officials from Vani Vilas Water Works, Water Board and officers from Rural Drinking Water and Sanitation Division attended the meeting.

LS: Fourth phase polling records 28.47% voting till 1 pm

New Delhi, Apr. 29 (UNI)- The fourth phase of polling began this morning at 72 Constituencies across nine States amidst tight security. This phase will see the end of polling in Maharashtra and Odisha while the process will start in Rajasthan, Madhya Pradesh and Jharkhand. According to official Election Commission data, 28.47 percent have voted till 1 pm across 72 constituencies.

Some of India's richest families, Bollywood stars and B-Town celebrities stepped out to cast their vote early this morning in Mumbai.

In West Bengal, where eight Constituencies are going to polls, unprecedented deployment of the Central forces has been made after the Opposition parties, Congress, CPI(M) and BJP, accused the ruling Trinamool Congress of intimidating their cadre.

Voting is taking place in 17 seats in Maharashtra, 13 each in Rajasthan and Uttar Pradesh, eight in West Bengal, six each in Madhya Pradesh and Odisha, five in Bihar, three in Jharkhand and a part of Anantnag Constituency in Jammu and Kashmir.

Three phases of voting have already taken place on Apr. 11, Apr. 18 and Apr. 23.

The elections will take place in three more phases till May 19 and results will be declared on May 23.

EC 'inaction' on PM speeches

SC to give urgent hearing to Cong. plea

New Delhi, Apr.29- The Supreme Court today agreed to grant an urgent hearing to a Congress plea claiming Election Commission (EC) "inaction" against alleged violations of the model code of conduct by Prime Minister Narendra Modi and BJP President Amit Shah.

The Court will hear the petition filed by Congress MP Sushmita Dev, seeking "urgent and necessary" directives to EC to take poll code violation complaints against Modi and Shah in cognisance, on Tuesday.

Dev, an MP from Silchar, Assam, filed the petition this morning citing eight instances of poll code violations.

Echo of Easter bloodshed

Face coverings banned in Sri Lanka

Colombo, Apr. 29- Sri Lanka has banned face coverings in public, following a spate of suicide attacks on Easter Sunday that killed at least 250 people and injured hundreds. President Maithruipala Sisirsena said he was using an emergency law to impose the restriction from today, reported BBC and CNN.

Any face garment which "hinders identification" will be banned to ensure national security, the President's Office said. The niqab and burka — worn by Muslim women — were not specifically named. The move is perceived as targeting the garments, however.

"President Maithripala Sirisena took this decision to further support the ongoing security and help the armed forces to easily identify the identity of any wanted perpetrators," according to a press release from the President's Office.

Sri Lanka has a sizeable and centuries-old Muslim population — out of 21 million, just under 10% are Muslim. Only a small number of women are thought to wear the face-covering niqab, or the burka — a one-piece veil that covers the face and body.

A concert that was an ocean of bliss

The 35th edition of Articulate Festival was celebrated at Veene Seshanna Bhavana, Kuvempunagar, on Sunday, the 21st April, 2019. The festival showcased Bharatanatyam, Kathak and Odissi, making a collage of classical dance arts with colours of one form of south, one from the North and the other from east India. Rasikas were catered with different flavours on a common meal spread.

The concert commenced with kathak by **S. Yashaswini**, who currently furthering under Guru Mysore B. Nagaraj at Articulate Dance Studios, Bengaluru. She began with a composition that was an ode to Lord Shiva who danced while he played mridanga and accompanied by his consort. In the item "Bajata Mridanga," one could see the vibrant dancing of the Lord of Dance to the syllables of the mridang. This was a perfect blend of nrutta and nrutya.

Yashaswini in her second act performed two lyrical compositions of Maharaj Bindadin, fused as one thumri and presented in the Lucknow Gharana style. The composition displayed the state of mind of a vipralabhdha nayika and khandita nayika. The chosen thumris were "Avatha Shyama" and "Kaheko Mere Ghar Aaye Ho." The concluding item of her kathak concert was a Prabandha that described the various components of music and set to dance format by the renowned Kathak exponent Maya Rao.

Yashaswni's abhinaya shined over her nrutta, when she emoted very effectively the emotions of a nayika while her persona very well suited to the chosen item. Her technique was appreciative in her Shiva dance and in the concluding Prabandha where she exhibited her good training in the thodas and parans.

Next was a duet Bharatanatyam performance by the twins **Archana** and **Chetana**, disciples of Guru Devaki Narasimhan, now under Guru B. Bhanumathi, Guru Sheela Chandrashekar of Bharatanjali School of Dance. The twins commenced with a Tamil composition by Arunachala Kavi where the poet wondered as to why Lord Ranganatha is in reclining position. He questioned if he is tired due to His leela's in his Rama and Krishna avatar? The artistes concluded with a Muthiah Bhagavatar composition eulogising. The ferocious aspect of the demure Goddess in the act of vanquishing evil forces and restoring peace.

Both in "Yen Palli Kondirayya" in the first number and in "Yarrukum Adangada Neeli" the second, the artiste sisters gave an astounding performance. The technicality that was seen in the geometrical movement as demanded by art of Bharatanatyam was wonderfully fused with natya dharmi abhinaya, with satvika involvement. Both items were performed with such sprightly élan that they never gave the spectator time even to blink, lest lose, some fleeting nuance that made their narrative so immersingly interesting.

Radika Makaram, Odissi exponent, currently under the tutelage of Sarita Mishra of Adyasha Foundation, Bengaluru, performed a Nrutta composition "Pallavi" in Raga Saveri and a abhinaya to the lyrics of Sri Jayadeva. Like the blossoming of new leaves and delicate entwine of new creepers of spring, Radika explored the beauty of the movements of Odissi, starting at a slow pace, increasing into a tempo by the end of the song. The Abhinaya she chose to do was for the song "Pashyathi Dishi Dishi" where the sakhi implores Krishna to go to Radha, by describing the plight of a forsaken lover.

Radika Makaram brought out elegantly the nuances of Odissi form ranging from languorous to sculpturesque, boardering on sensual. Sandwiched between mercurial Kathak and vigours of Bharatanatyam, it was a great respite to watch the delicate movements of Odissi as brought out by the artiste. In the Radha's plight as virahothkantitha nayika and the warm expectations of the beloved's coming as vasakasajja, Radika unfolded a gamut of emotions skilfully, by submerging herself in the character that surely touched the hearts of spectators.

Dr. Kshitija Barve, a alumni of Nalanda Nritya Kala Mahavidyalaya, Mumbai, presented Bharatanatyam in the final segment of the festival. Dr. Kshitija chose two numbers from her repertoire. The first was Shree Vallabhacharya's Sanskrit composition "Madhurashtakam" choreographed by *Padma Bhushan* Dr. Kanak Rele. The second was a signature number "Tillana" in Hindola Raga. A very experienced artiste in the classical genre of Bharatanatyam, Dr. Kshitija went through the routine in a very relaxed, measured and sublime way as against the modern trend of haste. In the Sanskrit shloka delineation, Dr. Barve was very communicative in describing the sweetness of the colourful Lord meandering through the physical and ethereal aspects of Krishna. Even the Tillana rendition echoed the old timers, who performed with such elegance that made concerts an ocean of bliss.

Thrilling tabla & soulful vocal recitals at Ganabharathi in city on May 4

Pt. Avinash Mulye Patil and Vidu. Shrimathi Devi

Mysuru, Apr.29- Gayana Sabha, Mysuru, has organised a Tabla Solo performance by **Pandit Avinash Mulye Patil** from Pune and Hindustani Vocal Recital by **Vidushi Shrimathi Devi** from Mysuru, on May 4 at Veene Seshanna Bhavana, Ganabharathi, starting at 5.30 pm.

Deepak Nagannavar will provide Lehra support to Pt. Avinash, while **Sathish Bhat Heggara** supports Shrimathi Devi on harmonium.

Pandit Avinash Mulye Patil, 35, started training in Tabla at a very young age of five with his father Pt. Pramod Patil, and later under the scholarly guidance of Pt. Umesh Moghe, in Delhi, Airada, Lucknow and Farukhabad traditions. The style of performance of Pt. Avinash is essentially a blend of all these gharanas.

He holds a Master's Degree in Music with a gold medal from Pune University, and has also completed Sangeet Alankar from Gandharva Mahamandala, Miraj.

Pt. Avinash has performed at prestigious venues in major cities of India, and also in UAE. Some of his performances include Sawai Gandharva Sangeet Mahotsav, Pune; ITC-SRA, Kolkota; Pt. Jeetendra Abhisheki Mahotsav, Pune; United Peace Federation, Delhi; Doordarshan and many more.

Pt. Avinash has won many awards and honours from prestigious institutions. To name a few — Best Tabla Performer Award, Swami Vivekananda Award, Rashtra Gaurav Puraskar, State Level Best Tabla Performer and Rashtra Gaurav Puraskar.

He has provided Tabla support to galaxy of famous and renowned masters of classical music which include Pt. Venkatesh Kumar, Pt. Ronu Majumadar, Pt. Jayatheertha Mevundi, Pt. Rajan and Pt. Sajan Mishra and the list is long.

Vidushi Shrimathi Devi is no stranger in the art circles of Mysuru. Being a resident of the city, she has enthralled the music connoisseurs with her soulful renderings of Hindustani music. Having been trained by Pt. Chandrashekhara Puranikmath, the famous vocalist of Gwalior Gharana in Dharwad, Shrimathi Devi brings out very effectively the beauty and intricacies of the Gharana.

Subsequent training under Vidu. Padma Talwalkar and Pt. Vyasamurthy Katti further enhanced her ability to develop her own unique style of presentation.

Vidu. Shrimathi secured first rank in Sangeetha Alankara Examination conducted by Gandharva Mahamandala, Miraj. She has also completed Sangeetha Visharada, and holds Master's Degree in English literature.

Vidu. Shrimathi has won many prestigious awards and accolades — Won 2nd prize in All India AIR Music Competitions in Hindustani Vocal; Recipient of Scholarship by Govt. of India; Tamankar award; Vamanadaji Shastriya Sangeeth Puraskar, Maharashtra; 2nd prize in Govinda Rao Gune Smrithi Khyal competition, Kolhapur. She is also a B-high grade artiste of AIR in classical vocal and light music genres.

She has performed at major music centres of Karnataka and Maharashtra, and also in USA.

DC ends RCB's Playoff hopes

New Delhi, Apr.29- Delhi Capitals (DC) beat Royal Challengers Bangalore (RCB) by 16 runs in their Indian Premier League (IPL) clash at Feroz Shah Kotla Stadium here yesterday.

With this result, DC have climbed to the top of the IPL Points Table for now. For RCB, this defeat spells the end of their chances of completing a fairy tale late-season charge for the top four spots.

Batting first, DC had put up a score of 187/5 in their 20 overs. Winning the toss, DC skipper Shreyas Iyer had opted to bat first. Prithvi Shaw (18 off 10 balls) started off on a positive note but was then dismissed by Umesh Yadav.

Shreyas Iyer (52 off 37 balls) and Shikhar Dhawan (50 off 37 balls) then came together to put on a stable partnership, both eventually bringing up their respective fifties.

RCB were struggling to find a breakthrough, until Yuzvendra Chahal decided to have his say. He got Dhawan out by producing a thick top edge off his bat. Soon, he also got Shreyas Iyer to hole out in the deep.

However, just as it looked like RCB would limit DC to a modest total, there was a last-minute carnage unleashed by Sherfane Rutherford (28* off 13 balls) to take the score beyond 180.

Parthiv Patel (39 off 20 balls) and Virat Kohli (23 off 17 balls) got RCB off to a lightning start, but once their wickets fell, DC were all over them. There were contributions from Shivam Dube (24 off 16 balls), Gurkeerat Singh (27 off 19) and Marcus Stoinis (32* off 24 balls), but they were not enough as RCB finished at 171/7 in their 20 overs.

KKR beat MI

Kolkata Knight Riders (KKR) defeated Mumbai Indians (MI) by 34 runs at the Eden Gardens here in match 47 of the IPL yesterday. Chasing a mammoth 233 runs, MI lost openers Quinton de Kock (9) and captain Rohit Sharma (12) early. They were reduced to 21/2 in 2.3 overs.

The middle-order batsmen Evin Lewis (15), Suryakumar Yadav (26) and Kieron Pollard (20), all failed to score big as MI were staring down the barrel at 121/5 in 13.2 overs. But a brilliant 91 off 34 balls by Hardik Pandya gave MI an outside chance. The all-rounder's innings included 6 fours and 9 massive sixes. Following his dismissal, MI were restricted to 198/7 in 20 overs.

With this win, KKR broke their 8-match losing streak against the Rohit Sharma-led side.

Earlier, KKR scored the highest total of the season — 232/2 in 20 overs courtesy 80 not out by Andre Russell, 76 by Shubman Gill and 54 off 29 by Chris Lynn.

Asian Wrestling Championships

Harpreet settles for Silver

Gyanender and Yogesh bag Bronze

Xi'an, Apr.29- India wrapped up their campaign at Asian Wrestling Championships on a resounding note with 16 medals after Greco-Roman grapplers added a silver and a bronze on the concluding day on Sunday.

Harpreet Singh settled for a silver in 82kg while Gyanender won a bronze in 60kg on the final day.

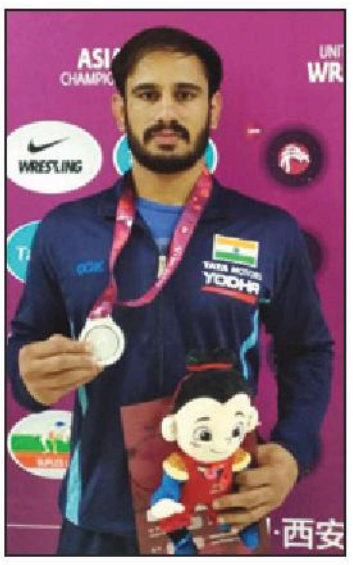
India's overall tally of 16 medals included eight — one gold, three silver and four bronze — won by men's freestyle wrestlers, four bronze by women and three silver and one bronze by Greco-Roman wrestlers.

Harpreet put up an impressive performance to storm into the gold medal round, having thrashed Haitao Qian of China 10-1 in the semifinals after handing a 5-1 defeat to Burgo Beishaliev of Kyrgyzstan in his last-eight stage bout.

Harpreet though failed to clinch the top spot as he went down in the title clash to Iran's Saeid Morad Abdvali 0-8.

Earlier, Gyanender did well to defeat Jui Chi Huang of Taipei and bag the third position.

For Gyanender, a quarterfinal round win over Ali Abed Alnaser Ali Abuseif of Jordan 9-1 was followed by a 0-9 defeat against Islomjon Bakhramov of Uzbekistan in the semifinal.



Harpreet Singh

In contrast, Yogesh lost out on a podium finish in 72kg category after being beaten by Ruslan Tsarev of Kyrgyzstan in the third-fourth place bout. Yogesh had entered the bronze medal round despite losing his qualifying match to Hujun Zhang of China 0-9 as his Chinese opponent made the gold medal round.

However, two other Indians in the fray on Sunday crashed out early — Ravinder bowed out in 67kg after losing his qualification bout, Hardeep suffered defeat in 97kg quarterfinal bout.

RNM Memorial Road Race - 2019 & felicitation ceremony on May 1

Mysuru, Apr.29 (KS)- Mysuru District Masters Athletic Association has organised RNM Memorial Road Race - 2019 (Run for Health) on May 1 in city.

The Race will be held in the following categories: 5 to 10 years, 10 to 15 years, 16 to 40 years and 40 years and above (Boys, Girls, Men and Women).

Interested may register their names before 4.30 pm on Apr.30 at Lions Club, adjacent to Oval Grounds and get the chest number.

Mayor Pushpalatha Jaganath will flag off the Race at 7.30 am on May 1 in front of the DC's office in the presence of University of Mysore's (UoM) Department of Physical Education (DPE) Director (in-Charge) Dr. P. Krishnaiah.

The valedictory function will be held on the same day at 9.30 am at the Lions Club Hall, University Sports Complex.

Former MLA Vasu will be the chief guest and retired UoM DPE Director Dr. C. Krishna will be the guest of honour. Mysuru District Masters Athletic Association President Sumana Narasimha Murthy will preside over the programme.

On the occasion, Asian Para Games 2018 Javelin-Throw silver medallist N.S. Ramya will be felicitated. National and International Master Athletics Medallist 90-year-old N.R. Shankar Rao and National Master Athletics and Swimming Medallist 80-year-old M.V.V. Swamy will be presented with Lifetime Achievement Awards. Award of Honour will be presented to 2019 National Medallists C.B. Chaluve Gowda, M. Yogendra, V. Rekha and T.G. Asha.

For details, contact Assn. Secretary P.G. Sathyanarayana on Mob: 99018-41314.

MCC Engineer spreads 'Green Wedding' message through son's marriage

Mysuru, Apr.29 (SBD&NNN)- The Mysuru City Corporation in a bid to stop plastic waste generation at weddings in Kalyan Mantaps mooted 'Green Wedding' concept.

As a first step and to set an example, MCC Executive Engineer Mahesh has become the role model when he celebrated the 'Green Wedding' of his son Nischal with Pooja B. Seshadri at a Kalyana Mantap on Apr. 24. Thousands of guests who attended the wedding were given saplings. Besides, all guests were served lunch and dinner in steel plates and tumblers thus eschewing the use of any plastic material.

This step resulted in the generation of just about 50 kg of waste that was sent to the compost unit in Vidyaranyapuram. The surplus food was distributed to food collection centres to fill the belly of the hungry people.

A team of officials including Deputy Commissioner Abhiram G. Sankar, MCC Commissioner Shilpa Nag and Health Officer Dr. D.G. Nagaraju who attended the wedding also administered the oath and issued Green Wedding Certificate (Hasiru Vivaha Pramana Patra) to the couple Nischal and Pooja and blessed them.

In the cultural city of Mysuru where there are nearly 182 Kalyana Mantaps and Samudaya Bhavans, nearly 250 tonnes of waste is generated. Hence, it is very difficult to dispose this huge quantity of waste. As a result the waste that is not biodegradable will cause huge environmental problems.

Realising this, the MCC and District Administration introduced the concept of 'Green Wedding.' Apart from reducing the use of plastic materials and staggering amount of garbage, the waste that is generated will be sent to the compost unit and the surplus food will be distributed in orphanages and old age homes were the highlights of 'Green Wedding.'

There must also be a total ban on using plastic covers on the tables, plastic glasses and water bottles, ice cream cups and thamboola in plastic covers. Even the wedding invitation must be sent in digital format and the use of paper plates and cups must be encouraged. If such steps are taken, then the generation of waste will be reduced and help in preserving the environment, said Corporation Commissioner Shilpa Nag.

Those families interested in following the 'Green Wedding' concept can call the MCC Control Room Number 0821-24188000 and register. The Corporation team will visit and give information on Green Wedding and present the newlywed couple a Green Certificate.

'Only 30% of groundwater is potable in Karnataka'

Mysuru, Apr.29 (MK&US)- Department of Geology of University of Mysore had organised an event at Rani Bahadur Auditorium in Manasagangothri recently for the release of the handbook 'Water Chemistry-interpretation, software and application' written by Dr. A. Balasubramanian and Dr. D. Nagaraj.

Speaking on the occasion, Central Groundwater Board Regional Director A. Subburaj observed that about 70% of groundwater in the State has been used up leaving just 30% to be treated and used for drinking. He pointed out that the nitrate and fluoride contents in groundwater have increased compelling for compulsory treatment. He said that the groundwater table is dipping 10cm every year which should be religiously replenished with good rainwater soak pits. He lauded the handbook as an invaluable guide on the subject.

Releasing the handbook UoM VC Dr. G. Hemantha Kumar said that water consumption had increased over the last ten years in the varsity as the student strength too had swelled. He welcomed suggestions to tackle the prevailing water crisis.

Former MCC Commissioner Dr. K.N. Chandrashekar, UoM Registrar Prof. Lingaraj Gandhi, Registrar (Evaluation) Prof. K.M. Mahadevan, UoM Entrepreneurship Counselling Centre Director D. Anand, HoD of Geology M.S. Sethumahadev, authors Balasubramanian and Nagaraj were present.

Senior lawyers should provide stipend to their juniors: Dist. Judge

Mysuru, Apr.29 (SPN&US)- "Senior lawyers should provide stipend to junior lawyers who have just begun their career after law education," suggested Principal District and Sessions Judge S.K. Vontigodi.

Speaking at a function organised by Mysore Bas Association at its premises in District Law Courts complex here on Saturday, Judge Vontigodi said that 15 years ago itself young lawyers who began their career with senior lawyers in Dharwad, Belagavi and other places of North Karnataka were paid a stipend of Rs. 2,000 to Rs. 3,000. He wished that system to be implemented in Mysuru also.

Continuing, Vontigodi regretted that budding young lawyers were not showing keenness to know the daily Court proceedings and browse through earlier judgements. He stressed the importance of knowledge and guidance of seniors to evolve a good lawyer.

Judges who have been transferred to other districts were felicitated on the occasion.

Bar Association President S. Anandkumar, Karnataka Bar Council Member B.R. Chandramouli, Secretary B. Shivanna, Vice-President S.G. Shivannegowda, Joint-Secretaries C.K. Rudra Murthy and M. Manonmani and Treasurer G.P. Chandrashekar were present.

State-level 'Ugadi Kavi-Kavya Mela' held

Mysuru, Apr.29 (PM&US)- Marking International Women's Day, Bharatha Kannada Parishat (BKP) had organised a State-level *'Ugadi Kavi-Kavya Mela'* at Institution of Engineers on JLB Road here yesterday.

Inaugurating the programme, littérateur Dr. C.P. Krishnakumar opined that women today were strong and no more dependent on men as they have succeeded in various spheres of life. He suggested more women to take up literature and added that a literary explosion is needed to address the social evils of society. He emphasised that a writers should have creativity and said that superstitions should be kept out of society by acknowledging scientific facts.

About 50 poets participated in the event.

Former District Kannada Sahitya Parishat President N. Girigowda released a book titled *'Sarala Vyakarana'* written by Muthuswamy.

Renowned Writer Mangala Satyan was felicitated on the occasion.

BKP State President Raghavendrakumar, Vice-President S. Nagarathna and others were present.

Vedike stages protest

Mysuru, Apr.29 (PM&DM)- Strongly condemning the ghastly murder of Madhu Pattar, an Engineering girl student at Raichur and the recent serial bomb blasts at Colombo, Sri Lanka, in which over 300 people were killed, more than 30 members of Vishwamanava Mysuru University Naukarara Vedike staged a demonstration in front of Mahatma Gandhi's bust, opposite the city Law Courts complex here yesterday morning.

The protestors demanded justice to Madhu Pattar and strongly condemned the barbaric act of terrorists in Sri Lanka.

Pro. Shivarajappa, Director, Oriental Research Institute, University of Mysore (UoM) evening College Principal Dr. Anjaneya, UoM SC/ST Cell Deputy Registrar Dr. S. Mahadevamurthy, Vedike President R. Vasudeva and others were present.

RAIN HAVOC

Rainstorm causes heavy damages in Pandavapura

Papaya, plantain plants destroyed; electric poles, transformers fall to ground; villagers suffer power cuts; trees uprooted, traffic disrupted

Pandavapura, Apr. 29-Heavy rains accompanied by thunderstorm lashed several parts of Pandavapura taluk on Saturday night resulting in destruction of several properties. However, no loss of life has been reported.

There was rainstorm in Ragimuddanahalli, Harohalli and other villages which resulted in many electrical poles coming down. Trees have been uprooted. The roofs of a school, houses, brick factories, poultry farms have been blown away. In Baby Grama, the roof of DMS School has been blown off and huge losses estimated.

The villages have been plunged into darkness as tens of transformers have been damaged and electric poles fallen to the ground. Since there is no power, the villagers were seen struggling for water as the supply has been cut off.

Traffic disruption: Due to rainstorm, trees and electric poles have fallen on KRS Road in Pandavapura town. This has resulted in traffic disruption as a number of KSRTC buses ply on Mysuru-Shimoga and KRS routes that pass through Pandavapura.

People upset: The villagers have expressed their ire complaining that even though the electric poles keep falling whenever there is rainstorm, the CESC (Chamundeshwari Electric Supply Company) officials have failed to take any steps to improve the situation.

In front of TAPCMS farmers' auditorium, three electric poles have fallen. In the taluk' Baby, Chikkade, Ragimuddanhalli, Shambunahalli, Keretonnuru, Bellale, Lakshmisagar, Neelanahalli Chandre, T.S. Chatra and other villages nearly 60 electric poles have fallen and eight transformers have been damaged.

Minister visits: District in-charge Minister C.S. Puttaraju on hearing about the damages visited the taluk and inspected more than 50 houses in different villages including the DMS Jnana Kuteera School in Baby village where roofs have been blown away.

He also saw the transformers damaged resulting in loss of lakhs of rupees. The Minister who visited the taluk on the direction of Chief Minister H. D. Kumaraswamy, asked the CESC officials to take up the repair and restoration work of all the electric poles and transformers on a war footing. On the occasion Sri Mutt Secretary T.P. Shivakumar, former President Siddalingadevaru and others were present.

The district has suffered huge losses due to rainstorm. In the Melukote Assembly Constituency, the roof of DMS Jnana Kuteera School run by Trinetra Mahant Shivayogi, has been blown off and the loss is estimated to be Rs.10 lakh. In the taluk, the roof tiles and zinc sheets of nearly 50 houses in many villages have been blown off. Even papaya and banana plants have been destroyed in several farms in the taluk resulting in huge crop losses. I have directed the Deputy Commissioner to immediately visit the damaged areas and submit a list on estimated losses. The State Government will be requested for relief.

—C.S. Puttaraju,
District in-charge Minister

Cyclone Fani to hit TN, Andhra; Rains likely in State for three days

Chennai: The Indian Meteorological Department yesterday said that the approaching cyclonic storm 'Fani' in the Bay of Bengal was likely to develop into an "extremely severe cyclone" in the next two days. It warned coastal areas of Tamil Nadu, Andhra and Odisha to brace for very strong winds, heavy rainfall and rough seas.

This is likely to result in heavy rainfall in the coming week in the Karnataka including several districts in the Karavali region, said the Indian Meteorological Department (IMD).

Cyclone Fani could generate gusts of winds with speeds up to 50-60 km per hour in the coastal areas of Tamil Nadu and Andhra Pradesh, the IMD said.

In the next one week there is likely to be a rainfall of 100 mm to 200 mm. The cyclone is likely to attain its strongest force on May 1 and 2, when at its centre with the wind speed of 185 km per hour, said the IMD.

CM asks Chief Secretary to take precautionary measures

Madikeri: Chief Minister H.D. Kumaraswamy has directed Chief Secretary Vijay Bhaskar to take precautionary measures before the onset of monsoon.

He said that due to heavy rain in the monsoon season last year, Karavali region had suffered extensive damage.

As the Poll Code is in force, the meeting cannot be held. Hence, the CM has directed the Chief Secretary to take precautionary measures.

Papaya, banana plants destroyed

In the one-and-a-half acre farm belonging to farmer Basavaraju of Attiganahalli 1,500 papaya plants have been destroyed due to rainstorm. "I had spent Rs.5 lakh to grow papayas but it has been completely destroyed," a distraught Basavaraju said.

In the farm of Doddegowda in Mahadeswarapura village about 400, Halebeedu Thimmegowda's about 300 and Kumar's about 500 papaya plants have been destroyed and losses of lakhs of rupees estimated. The plantain crop belonging to farmer Puttegowda in taluk's Chinnakurali has been destroyed due to rainstorm. Tahsildar L. Patil and Revenue Department officials visited the villages and inspected the damages.

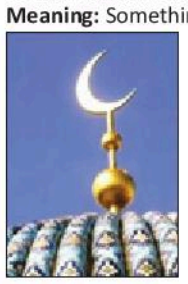
WORD OF THE DAY

Lunette

Pronunciation: Lunette
Meaning: Something that has the shape of a crescent or half-moon.



Origin: Lunette, a word borrowed from French, looks like it should mean "little moon"—luna being Latin for "moon" and -ette being a diminutive suffix. There is indeed some 17th-century evidence of the word being used for a small celestial moon, but that meaning is now obsolete. Earlier, in the 16th century, lunette referred to a horseshoe having only the front semicircular part—a meaning that still exists but is quite rare. Other senses of lunette that are infrequently used nowadays include "a blinder especially for a vicious horse" and, in the plural form, "spectacles." (Lunettes is the usual term for eyeglasses in modern French.) The oldest meaning of lunette still in common use is "something shaped like a crescent or half-moon," which dates to early 1600s.
Example: All the windows and doors were topped with lunettes of small-paned glass. — Theodore Dreiser, The Financier, 1912.

THE ODD WORD

Vomitorium

Each of a series of entrance or exit passages in an ancient Roman amphitheatre or theatre.

PHRASE OF THE DAY

The last straw

Meaning: The final additional small burden that makes the entirety of one's difficulties unbearable.

Origin: The full version of this metaphorical phrase is 'the last straw which breaks the camel's back', which has an Old Testament sound about it. The Oxford Dictionary of Quotations lists it as a 'mid 17th century proverb', but offers no supporting evidence for that view. The earliest citation that one can find is from The Edinburgh Advertiser, May 1816:
"MR. BROUGHAM remarked, that if it [a tax on soap] were only 3d. a head, or 4d. and 5d. upon the lower orders, yet straw upon straw was laid till the last straw broke the camel's back." Some authorities suggest that the phrase is a variant on an olde proverb 'it is the last feather that breaks the horse's back'. That may be so.
Last but not least there is, or rather was in 1843, a merger of the two phrases. This appeared in The Southport American in October 1843: "And finally, the 'feather which breaks the camel's back' having been added to Sir Walter's burthen, he was struck down by paralysis, and after lingering a few months, was gathered to his fathers."

QUOTE BOX

I know what it is like to be brought up with unconditional love. In my life, that came from my grandmother. **—Andre Leon Talley**

Interactive session on kidney diseases and treatment held

Kidney donors and recipients were felicitated during 'Punarjanma,' an interactive session organised by Apollo BGS Hospitals, at Ganabharathi in Kuvempunagar yesterday.

Mysuru, Apr.29 (RKB&DM)- 'Punarjanma,' an interactive session on kidney diseases and treatment options was held under the aegis of city's Apollo BGS Hospitals at Ganabharathi (Veene Seshanna Bhavan) on Adichunchanagiri Road in Kuvempunagar here yesterday.

About 250 registered kidney patients attended the programme, which was open to all those suffering from various kidney ailments, those undergoing kidney dialysis, for people who wanted to know treatment options and to those who would want to learn about keeping kidneys healthy.

Speaking at the programme, Apollo BGS Hospitals Vice-President (Operations and Unit Head) N.G. Bharateesh Reddy said that Apollo Hospital has been making efforts to sensitise the public on kidney problems and keeping kidneys healthy through awareness programmes.

Pointing out that 23 kidney transplant operations were conducted successfully at the hospital in the past year, Reddy appealed the public to break the myths surrounding organ donation.

Apollo Hospital Nephrologist Dr. Praveen Chandrashekar gave comprehensive information on specific types of kidney diseases such as Acute Kidney Injury (AKI) and Chronic Kidney Disease (CKD) and tips on protecting kidney health.

A power-point presentation on the functioning of kidneys, causes of kidney failure, recognition of symptoms, tests for kidney health and such other kidney related-issues was held. Past patients, kidney donors and recipients shared their experience on post-operational health.

Senior consultant of Nephrology Dr. Srinivas Nalloor and others were present.
